CLASE & LEHNBEUTER

ST. LOUIS, MO.

MANUFACTURERS
OF
SHOW CASES, STORE, OFFICE
AND
BANK FIXTURES, MIRRORS.

FACTORY & STORE ROOM 121 to 127 S. 7th.

TO OUR PATRONS.

In presenting you with our New Illustrated Catalogue, showing part of the goods we manufacture, we beg leave to call your attention to the many new styles of Show Cases, Office and Store Fixtures.

We hope to deserve a continuance of your confidence, and it will be our constant aim to supply you with such articles in our line as will give complete satisfaction.

We have enlarged our works to such an extent, that we now claim to have the largest and best arranged Steam Show Case, Office and Store Fixture Works in the United States. Having the most improved machinery—partly our own invention—and by using none but the very best materials, and employing only the most skillful workmen, we are prepared to fill all orders, entrusted to us, with promptness.

Having over 30 years experience in this business, we do not hesitate to guarantee all our work to be first-class, and thus keep and increase the patronage which we have enjoyed so far.

Soliciting your further favors, we remain,

Yours Very Respectfully,

CLAES & LEHNBEUTER.

ST. LOUIS, APRIL, 1887.

No. 15. PATENT EXCELSIOR CASE.

The cut represents our Patent Excelsior Case with square centre, round front style on each end, with an upright Case on top of same. The most beautiful and desirable Case in use. This style of Case cannot be improved. It has a capacity of almost twice as much show room than any ordinary Case, besides showing goods to a great advantage. The square part in centre is well adapted to sell goods over. Made with full German Silver Frame, it has Glass Doors in Uprights, and Looking Glass Doors, hung with spring hinges in centre, two heavy Glass Shelves in each Upright.
